Health & Safety Policy Statement

Apollo Doors Ltd is one of the North East's leading companies specialising in supply, installation and manufacture of Roller Shutters, Steel Security Doors, Aluminium Doors and shop fronts with our head office based in Washington Tyne & Wear. Through our Regional structure, Operating Business offices and manufacturing unit we undertake contracts nationwide and always strive so far as reasonably practicable to ensure the health safety and welfare of our direct and supply chain workforce as well as that of other persons who may be affected by our work activities. To ensure the company meets the statutory duties of the Health and Safety at Work Act 1974, all levels within our management structure have a responsibility for ensuring the implementation of the objectives laid out in the documentation that supports this policy including the safety manuals, procedures and instructions.

Our work activities will be assessed in accordance with the requirements of the Management of Health and Safety Regulations 1999, and the necessary controls will be implemented to prevent and reduce the risk of serious injury occurring. The management, planning and design of our projects will comply with current CDM Regulations and all reasonable steps shall be taken to ensure that all Duty Holders employed in our operations are competent to manage and complete their work activities safely.

To ensure continual improvement in health and safety management and performance the following shall be undertaken:

1. The Company Policy Statement and associated documents will be reviewed regularly.
2. The Apollo Doors Ltd undertake regular inspections of all operating work activities to identify best practice/ non-conformity and actions, together with recommendations, will be reported to relevant management.
3. The Management Systems implemented by the businesses will be regularly audited and reports will be produced for review and action by the directors.

DOORS LTD

The successful implementation of this policy can only be achieved with the full commitment and involvement of personnel from all levels within the company.

To ensure a pro-active approach, all Apollo Doors Ltd employees will be given such information, instruction and training relating to their role and responsibilities to enable them to manage and/or undertake their work activities safely.

All employees shall be given the opportunity to raise issues relating to Health and Safety via our worker involvement and engagement arrangements. This Policy Statement will be brought to the attention of all employees and shall be available for inspection on all sites and office premises controlled by Apollo Doors Ltd.
